CALL FOR SUBMISSIONS: EMERGING VISUAL ARTISTS

In conjunction with the Firehall Arts Centre's annual BC Buds Spring Arts Fair, May 9 – 11, 2014, the Firehall invites submissions to an exhibition of work by emerging visual artists. We are looking for work that pushes our understanding of myth, the place of magic in contemporary culture and the function of mystery in a technologically driven culture.

How does myth influence your making?

What are the archetypes you reference or examine?

What cultural myths do we need to examine as we make, look and think about art?

If you have finished formal training within the past 5 years, we welcome your submissions. Works will be hung in the Firehall's Lobby Gallery; an intimate space visited by BC BUDS patrons and theatre audiences throughout BC Buds and subsequent theatre performances.

Please note: Due to space constraints works must be no larger than 121 x121cm and all works must be ready to hang from a rail system. We welcome work in any 2-dimensional media but unfortunately, we are not able to exhibit video work.

Please submit electronically:

- 6 images with titles
- List of images, with medium, dimensions, price,
- C.V.

To: firehall@firehallartscentre.ca with subject line: BC BUDS Visual Art Submission

ALL SUBMISSIONS MUST BE RECEIVED BY APRIL 4, 2014.

Exhibition runs May 6– June 22; Opening reception, May 8, 2014.
