The Firehall Arts Centre is located on the unceded and traditional territories of the x^wməθk^wəyəm (Musqueam), Skwxwú7mesh (Squamish) and səliwətał (Tsleil-Waututh) First Nations where they lived and gathered together for thousands of years. Acknowledging their connections to these lands is a significant part of what the Firehall considers when choosing the productions and presentations we undertake and how that work shapes and impacts those around us.
